

Sit back, relax and watch your workplace productivity soar

infiniterest massage chair

Now there's a simple, effective way to improve the health and wellbeing in your workplace and boost productivity

Here's the ultimate way to energise your business, and everyone in it. Designed for businesses like yours, the Infinite Rest massage chair is the perfect in-house de-stressing device – a marvel of modern technology that, in just 10 minutes, delivers a luxurious and therapeutic massage that leaves those using it relaxed, refreshed and energised. All with just the touch of a button.

Make Infinite Rest available in your workplace and you'll very quickly see the benefits of a happier, more motivated and more productive workforce.

No risk 30 day free trial.*

Order your Infinite Rest massage chair today, use it for 30 days and in the unlikely event that you're not absolutely delighted with the results, we'll take it away and there's nothing whatsoever to pay.

A superb blend of luxury, technology and performance, Infinite Rest is a state-of-the-art, full-body massage chair that reaches and relaxes every muscle in the body – soothing the nervous system and relieving many of the aches, pains and stresses of a typical working day.

In just 10 minutes this amazing machine:

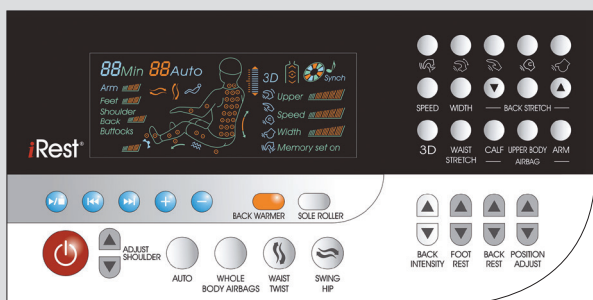

- Relaxes tense, cramped, strained and tired muscles • improves joint mobility • boosts energy levels
- stimulates the immune system, working to eliminate toxins from the body and improve blood pressure
- Releases endorphins – the body's pain-relief chemicals
- Increases circulation, pumping more oxygen to the brain and body and speeding up the healing process.

Good looking as well as technologically sophisticated, it's also fully automated – simply choose one of eight settings to suit your individual needs. From a refreshing pick-me-up to deep-tissue therapy, the chair automatically detects the body's acupressure points and adjusts to your unique body shapes and posture. What better way to spend a 10 minute break from work – at work?

* Subject to availability

30 day free trial in your workplace

Stress and illness in the workplace = lost productivity, directly impacting on your business bottom line

With the Infinite Rest massage chair in your workplace you have a unique opportunity to:

- demonstrate your commitment to employee health and wellbeing
- address the issue of stress in your workplace, which can have dramatic effects on physical, emotional and mental health of staff
- manage and reduce the risks of staff illnesses, injuries and conditions such as arthritis and occupational overuse syndrome
- lower employee absenteeism
- empower your team to take charge of their own health and wellbeing
- enjoy the benefits of a more energised and enthusiastic workforce
- enhance your organisational culture with a lift in morale, motivation and loyalty
- be proactive in meeting your obligations under the Health and Safety at Work Act 2015
- boost your reputation as an employer of choice.

Health benefits experienced with Infinite Rest include:

- reduced blood pressure, lowered heart rates, eased muscular aches and pains
- better flexibility and balance
- faster healing from strains and sprains
- better immunity against coughs and colds
- improved posture, leading to fewer issues with back and neck pain and headaches
- relief from the debilitating effects of conditions such as arthritis and occupational overuse syndrome
- noticeable improvements in energy, attention span, focus, concentration, creativity and mental clarity
- a better, deeper, more refreshing sleep
- an enhanced sense of overall wellbeing, and a more positive attitude towards work, workmates and the workplace.

Transform your workplace into their happy place
